**Chapter and its heading:** 19, Board of Nursing  
**Article and its heading:** 8, Certified Nursing Assistants  
**Section numbers:** R4-19-808

Of the 5,416 applicants who applied to the Board last year for a nursing assistant certificate, less than 1% qualified and obtained a temporary certificate. Health care providers and applicants have requested that the Board amend the rule to allow more applicants to qualify for a temporary certificate.

The current employment requirements for a temporary certificate are deleted in the amended rule. The Board is also extending the expiration date of the certificate from two to six months to comply with the statutory requirement that it be valid for six months. The Board anticipates that this amendment will increase the availability of Certified Nursing Assistants (C.N.A.s) while maintaining public protection.
